The #1 journal for the dental industry

The British Dental Journal is the flagship journal of the British Dental Association (BDA) and is delivered 24 times a year to all BDA members and international institutional subscribers. BDJ reaches the vast majority of the dental professional market in the UK and delivers original research, clinical reviews, features, letters, and product news both in print and online.

85% of readers rated the quality of the BDJ as either excellent or good.

Evidence-Based Dentistry

Evidence-Based Dentistry (EBD), a quarterly publication that is bound into the BDJ, bridges the gap between research and dental practice providing a single source of ground-breaking issues in dentistry. We filter out the best range of evidence from a wide range of sources and present clear, comprehensive and easily digestible summaries. Associate your brand with the latest advancements in dentistry.

Full-page and fractional ads can be accommodated around this quarterly publication.

Rich media options, which are proven to increase viewer engagement and response, are available across our network.

Ways to utilize rich media options

- Video banners offer high engagement and provide an ideal option for quickly explaining product features and benefits
- Interactive banners can be used for a number of purposes including collecting contact details, voting and as a means to relay multiple messages
- Expandable banners provide you with more space to promote your brand and message

Contextual advertising

Utilise contextual advertising to display your banner advertising alongside content related to a specific keyword or term, enabling you to reach dental professionals whilst they are looking at content relevant to your message.

Retargeted banners

Benefit by retargeting your advert to your audience anywhere on our network, providing you with more opportunities to display your brand messages to dental professionals.

Audience Segmentation

Our audience segmentation tools give us fascinating and usable insights into the interests and behavioural properties of our audience. Furthermore it enables us to define specific audience segments and deliver targeted messages to these people, wherever we see them on our network of websites. With these insights, you can develop a truly personal advertising campaign.
Email marketing is a great option for branding and awareness, lead generation, and direct response campaigns.

Alert advertising
BDJ, BDJ Team, BDJ Open and EBD readers sign up for email alerts to keep up to date with news, research, and promotional opportunities that affect their practice and the products and equipment they rely on. Advertising positions in these alerts allow you to deliver your message to active and engaged dental professionals alongside the content that makes these alerts a popular medium.

Ask your BDJ representative about geotargeting options for alerts.

Third party emails
Use third party email to deliver your exclusive message directly to the inboxes of BDJ third party email subscribers.

Webcasts and Video

Webcasts enable you to engage directly with our audience of dental professionals. Webcasts can be editorially led by the BDJ or can be custom produced, where sponsors retain responsibility for the subject and presenters.

The webcast platform provides dashboards and tools, making it ideal for participating in discussions, aligning your brand with the BDJ and generating highly-targeted leads.

Our video team produces high-quality videos exploring the hottest areas of research within dentistry.

Working with experienced filmmakers, animators and reporters, our video team turns scientific discoveries into visually engaging and accessible content that can be shared across multiple platforms: web pages, blogs, YouTube, Facebook, Twitter, email, smartphones or tablets. The team are also able to produce customised videos to complement and enhance your own campaigns and projects.

ADDITIONAL PRINT OPTIONS

In addition to traditional print advertisements, BDJ and BDJ In Practice also accommodate printed inserts and outserts that are either bound in or polybagged along with the journal.

- Add value and impact to your ongoing campaigns
- Attract reader attention to a particular conference and draw traffic to your stand
- Target delegates at a new product launch

MARKET RESEARCH

Readex surveys

Are your print advertisements working? Participating in a Readex survey can help you answer that question by gauging how well your ad jumps starts the selling process. Place your ad in a Readex issue of BDJ or BDJ In Practice and you will automatically be included in a message impact study conducted by Readex. A survey will be sent to readers asking specific questions that measure the effectiveness of your print ad.

- Find out if your ad grabs readers’ attention
- How are your headlines and illustrations being received?
- How much interest is generated in the product?
- Get verbatim comments/feedback from your potential customers

APPLICATION NOTES

Showcase the performance of your new products or innovative applications with an Application Note. These are technical essays written by suppliers to highlight the features and benefits of their products.

Your application note will be distributed in print as part of the BDJ.

Application Notes are a highly visible option for reaching the dental industry.

There will be a maximum of only two application notes per issue and these will be booked on a first come, first served basis.

For more information, or to book, please contact your account manager.
As an added value to conference exhibitors, BDJ has a Spring British Dental Conference and Exhibition Preview and an Autumn BDA A Dental Showcase Preview that will feature your products and services to help drive traffic to your stand.

Inside View
The BDJ Portfolio offers a unique opportunity for companies with big talent to showcase their most interesting and accomplished personalities to the BDJ audience. Appearing as a double-page feature, Inside View is a platform to introduce a key personality within your company and tell his/her story.

You can select the representative and the story you wish to share; a writer commissioned by the BDJ editorial team will conduct an interview and write the feature.

- **Introduce** the brilliant minds contributing to your company’s success
- **Strengthen** the human element of your brand
- **Establish** a personal connection with the BDJ’s readership
- **Leverage** the BDJ brand to build the credibility of your narrative

Inside View is a double-page spread and includes a full page of advertising space beside the feature.

---

**Product News**
Communicate product developments and/or launches to the UK dental community.

Product News is a regular feature in BDJ and BDJ In Practice, highlighting products and services new to the market. Your product or service will appear within the Product News section beside text and images provided by the manufacturer, supplier or distributor.

**SPONSORSHIP AND REPRINTS**

**Continuing Professional Development (CPD)**
The BDJ CPD initiative offers our readers 48 hours of cost-effective and accessible CPD each year. Take advantage of the popularity of BDJ CPD papers by becoming a BDJ/CPD sponsor. Position your organisation as a driver for innovation and education while encouraging loyalty to your brand. CPD sponsorship is also available in BDJ Team and BDJ In Practice.

- Receive 12 full-page print adverts in BDJ appearing opposite the CPD paper
- Your logo will appear on the CPD introduction page in BDJ
- Your logo will appear on the CPD online page at cpd.bda.org

**Collections**
BDJ collections are compilations of prominent papers related to a specific topic or field of dentistry and can be distributed in print, online, and to delegates at targeted conferences. Sponsoring a BDJ collection allows you to leverage the independent and esteemed editorial reputation of the BDJ to demonstrate your support for and involvement in a specific field. Concepts for BDJ supplements are collaborative and customised to fulfil your unique marketing objective.

**Reprints**
Reprints are a proven, effective educational and marketing tool that enables you to showcase the use of your products or solutions with premium editorial content. Ordering tailored reprints of any article published by the BDJ allows you to deliver your product messages within independent and credible content directly to your customers.

Our flexible options in both print and digital allow you to:

- **Educate** dental care professionals on your newest products
- **Reach** dentists with an effective marketing method
- **Align** your organization with the BDJ’s authoritative voice
- **Build** the credibility of your sales and marketing messages

Sponsored projects can be customised and personalised to your unique objective. Speak to your account manager about additional creative marketing solutions.

ADVERTISE AT THE BRITISH DENTAL CONFERENCE AND EXHIBITION

The British Dental Conference and Exhibition is the BDA’s annual flagship conference and one of the most significant events in the UK dental calendar. In 2017, the conference will be held at the Manchester Central Convention Complex, from 25-27 May.

The BDA have numerous branding opportunities available from sponsorship of conference sessions and speakers, hosting your own workshop to advertising opportunities around the venue.

Quantity:

8,767 total attendees
4,647 unique attendees
70.5% of delegates are dentists
55% of delegates attended for 2 days or more, giving them more time in the exhibition

Quality:

85% of exhibitors achieved their objectives
83% of delegates rated the event as Good, Very Good or Excellent
93% of delegates say they achieved their objectives at the exhibition

THE OPPORTUNITY

The BDA offer advertisers numerous branding opportunities including promotional materials at the event, stand space, materials in delegate packs, exhibition space, pack inserts and pen and pad sponsorship.
ADVERTISE AT BDA EVENTS

BDA seminars are amongst the most highly respected and well attended events in UK dentistry. Covering everything from clinical to business topics, they regularly attract in excess of 100 delegates. Events are run every year across the UK, ranging from 20-person training courses to our “Clinical Expert” seminars which can attract over 400 delegates.

These events provide a fantastic opportunity for you to get in front of dentists and the dental team during the breaks between sessions. This is especially powerful as the delegates are engaged and inspired by the topic.

### General Design Constraints
- **Advertisements with white or grey backgrounds should have a one-pixel border around the graphic’s perimeter and/or created within the graphic’s dimension restrictions.**
- **Advertisements may not employ persistent rapid/strobing animation of any graphic, copy, or background element(s).**
- **Advertisements cannot mimic or resemble any Windows/Macintosh/Unix dialogue boxes, error messages or the like. Non-functioning drop-down menus, radio buttons and text boxes will not be accepted.**
- **We have final approval over all creative supplied; in the case of extreme negative user feedback/interference we reserve the right to pull creative prior to campaign delivery.**

### Alert — Text and Logo Adverts
- **1 x logo to fit within the dimensions of 170x40 pixels.**
- **Image file size should not exceed 20KB.**
- **Logo supplied on a white/transparent background.**
- **Use of one or two paragraph layout only.**
- **An ANSI text-only version of each advert MUST be supplied — up to 375 ANSI text characters only (including spaces).**
- **A maximum of three URL links. URLs cannot exceed 255 characters. All URLs to be active when ad is submitted.**

*We strongly recommend that all rich media creative media is built using HTML5 and not Flash to ensure that they display effectively in all popular browsers. Please note HTML5 needs to be third party ad served. The Springer Nature design team offer a HTML5 design build service. Ask your account manager for details.

We also offer enhanced rich media formats. Speak to your account manager for more details.
**BDJ JOBS**

The UK’s leading publication for dental recruitment and classified dental sales

The British Dental Journal boasts the largest share of the UK dental jobs and advertising markets with print advertising in the BDJ itself and online advertising on BDJ Jobs and BDJ Marketplace.

**BDJ Jobs**

Dentists ● Specialists ● Locums ● DCPs

“**A phenomenal response within 24 hours of posting our ad on BDJ Jobs.** With over 40 high calibre candidates applying we filled two full time positions and interviewed both candidates within 24 hours of posting our advert.”

Ravi Gehlot, Harley Dentist

**BDJ MARKETPLACE**

The brand-new website for classified dental sales launched in September 2016!

BDJ Marketplace offers the first dedicated space for advertising dental products, services, property and courses.

**BDJ Marketplace**

Education ● Property ● Services ● Products

“**BDJ offers us an effective and friendly service every time we advertise our specialist dental courses online and in print. Online advertising has doubled our web traffic which is a fantastic result! Also we notice a steady increase in a number of course enquiries every time we run print adverts and advertorials in BDJ**”

**WHAT OUR CUSTOMERS ARE SAYING...**

"We have been advertising for several years now and our dedicated account manager and other team members have been on hand to answer any enquiries we have had. They continue to help us target our market, advise us when needed and will continue to advertise with them in the future."

Lyndsey Asher, Marketing Manager, Sun Dental Labs

"The BDJ is a highly respected journal which is an obvious choice for us when it comes to advertising our products and services. The cost of advertising is comparable with similar journals and the customer service, advice and support from the BDJ team is excellent."

Neil Bullement, Commercial Director, S4S (UK) Limited

"The BDJ Team always comes up with new, inventive and engaging ways for our clients to speak to BDA members. It's always a pleasure to work with them and to see the positive impact our partnership has on our clients' brands."

Gemma Barker, Managing Director, Barker PR

"Our clients value their appearances in the British Dental Journal Portfolio, both editorially and with their advertising campaigns. Clients rate the integrity of BDJ publications, the intelligence of their approach and quality of their readership. A presence in BDJ titles confers huge credibility and is greatly respected."

Tracy Posner, Managing Director, Positive Communications

"Whenever I have worked with the BDJ I have found their staff to be both professional and knowledgeable. The journal ensures that all its published papers are subject to rigorous peer review; making the content more prestigious and credible. Whenever we have a highly scientific piece for publication my first thought is always to enquire with the BDJ."

Naomi Davidson, Marketing Coordinator, BioHorizons
