

## CORRIGENDUM

# Sodium iron (III) ethylenediaminetetraacetic acid synthesis to reduce iron deficiency globally

Du T Loots, MV Lieshout and G Lachmann

*European Journal of Clinical Nutrition* (2007) **61**, 294. doi:10.1038/sj.ejcn.1602527; published online 6 September 2006

**Correction to:** *European Journal of Clinical Nutrition* advance online publication, 2 August 2006; doi:10.1038/sj.ejcn.1602499

In this article, published online 02.08.06, the authors have identified that there has been an error in one of the authors names.

MV Lieshout should have been M van Lieshout.

The authors would like to apologize for any confusion caused.
