Acute graft-versus-host disease after bone marrow transplantation with a single HLA-DPB1*1001 mismatch: involvement of different TCRBV subsets

J Gaschet, G Gallot, C Ibisch, A Lim, J Even, R Vivien, MM Hallet, N Milpied and H Vie

Bone Marrow Transplantation 1998; **22**: 385–392

Since publication of the above paper the author has noted that the version of Figure 2 that was published is incorrect. The Figure 2 published corresponded to the immunoscope

of an older T cells' culture than the one discussed in the paper. The correct version of Figure 2 follows.

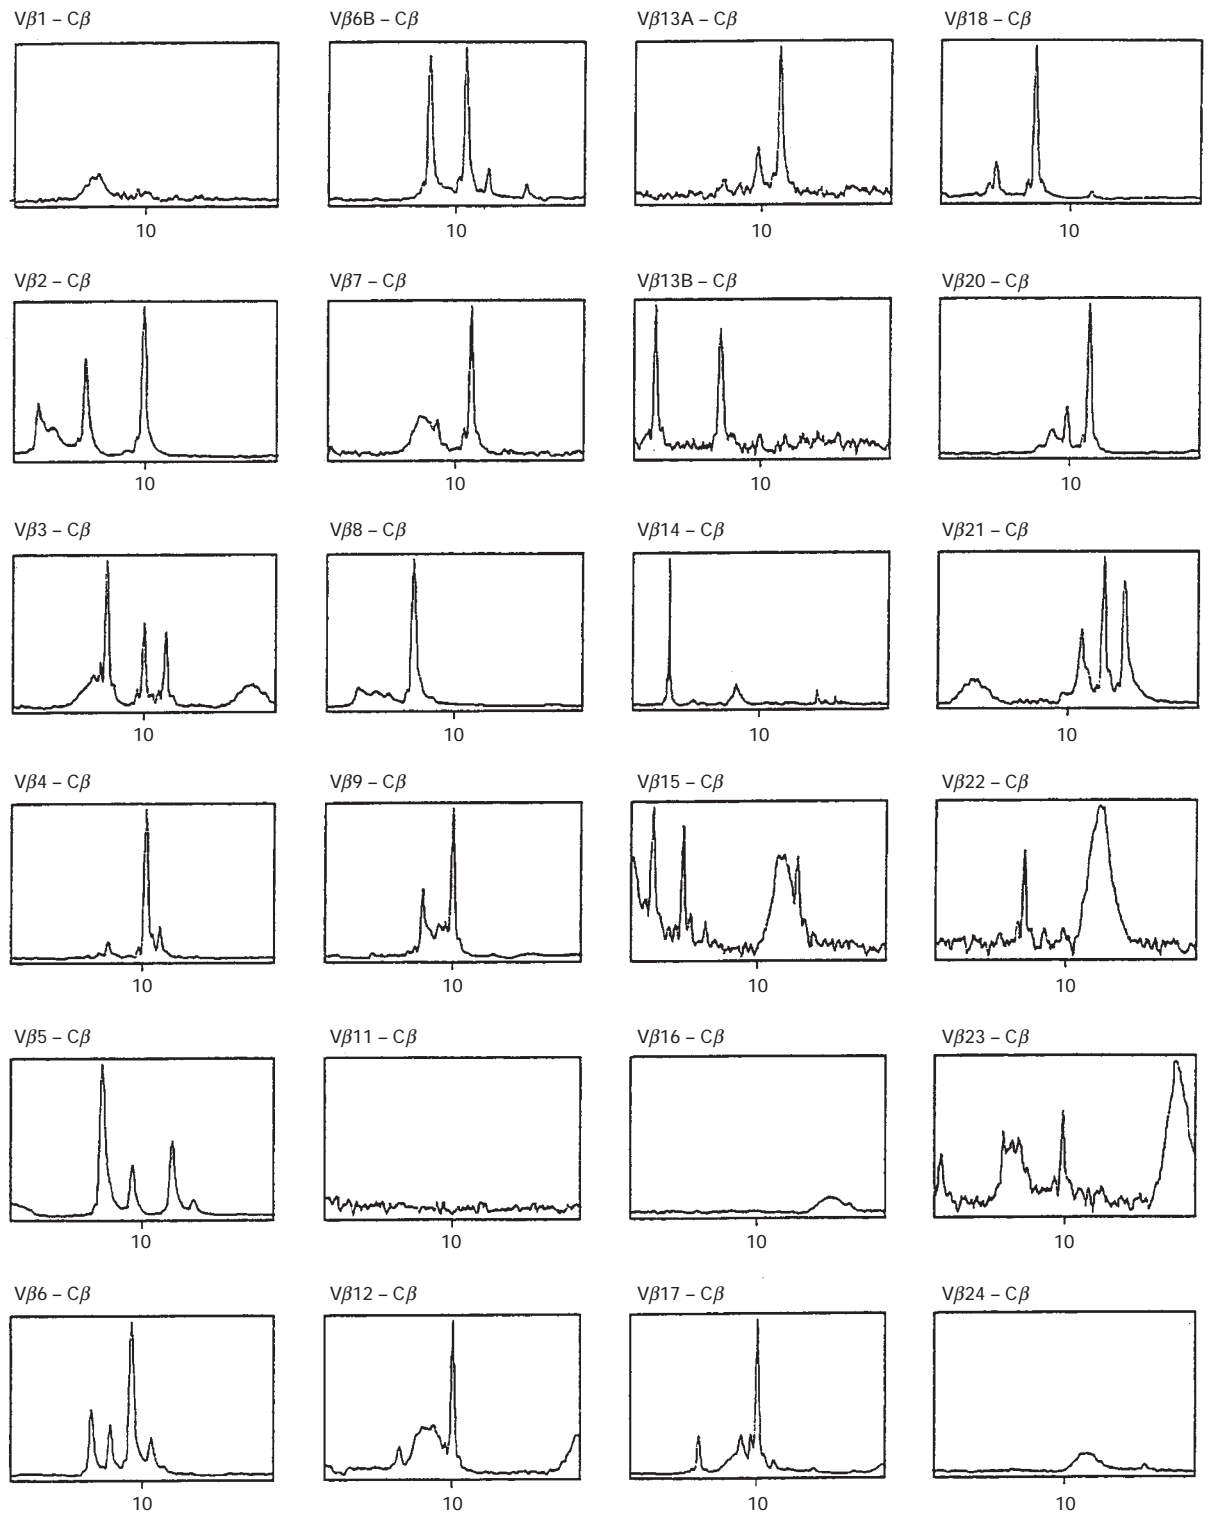

Figure 2 Distribution of CDR3 size (immunoscope profile) within BIL T cells.
