**36TH ANNUAL MCKEE PATHOLOGY SEMINAR
AT CHARLESTON
MARCH 6–8 2003
EMBASSY SUITES HOTEL
CHARLESTON, SC
COURSE DIRECTOR: JANICE M. LAGE, M.D.
CO-DIRECTORS: MARY S. RICHARDSON, M.D.
RANA S. HODA, M.D., F.I.A.C.**

The Department of Pathology and Laboratory Medicine, Medical University of South Carolina, will present a three-day post-graduate seminar entitled 36th Annual McKee Pathology Seminar at Charleston, SC. The seminar includes one day each of surgical pathology and cytopathology, with the third day dedicated to virtual microscopy, latest diagnostic techniques, and ancillary tests in cytopathology.

The faculty includes guest speakers and MUSC faculty. Guest faculty include Edmund S. Cibas, M.D., from Brigham and Women's Hospital and Harvard Medical School and Michael W. Stanley, M.D., from Hennepin County Medical Center, Minneapolis, MN. Speakers from MUSC faculty include, Drs. Janice M. Lage, Mostafa M. Fraig, Rana S. Hoda, David N. Lewin, John S. Metcalf, Mary S. Richardson, M. Timothy Smith and Cynthia A. Welsh.

The course is intended for practicing pathologists and pathologists-in-training. The cytopathology section will also be of extreme benefit for cytotechnologists. The objective of the course is to review morphology and clinicopathologic correlation in surgical pathology and cytopathology. The faculty will address various aspects of gynecologic skin, gastrointestinal, pulmonary, breast, urinary, and thyroid pathology. Technical advances in cytopathology will also be discussed in detail by speakers from companies with expertise in automated cytology and HPV testing. Lectures will be followed by discussion periods. Each participant will receive a comprehensive course syllabus. Category I accreditation for CME credit by the American Medical Association will be awarded.

For further information contact Patricia M. Houser at 843.792.8891 or email at housepa@musc.edu. To register and view course information online visit: <http://mckee-seminar.musc.edu> (available by January 1, 2003).

**MAYO CLINIC'S 10TH INTERNATIONAL
SURGICAL PATHOLOGY SYMPOSIUM
MAY 6–9, 2003
DUBLIN, IRELAND**

Description: This program will address common but difficult diagnostic problems encountered by surgical pathologists in every day practice. Designed to simulate daily activities of pathologists, the symposium curriculum will review case histories in identified subject matter areas, view slides microscopically and formulate appropriate diagnoses. Diagnosis, terminology and patient management strategies for each case history will be discussed by faculty and attendees.

For more information, contact: Mayo School of Continuing Medical Education, Pavilion Mezzanine, 200 First St SW, Rochester, MN 55905; Telephone: (507) 284-2509; Fax: (507) 284-0532; E-mail: cme@mayo.edu; Website: www.mayo.edu/cme.

**SURGICAL PATHOLOGY FOR THE PRACTICING
PATHOLOGIST: SELECTED TOPICS
MARCH 7–10, 2003
Directed by:
ROBERT H. YOUNG, M.D.
to be held at
SANIBEL HARBOUR RESORT AND SPA
FT. MYERS, FLORIDA**

The Department of Pathology, Massachusetts General Hospital, Harvard Medical School will present a four-day postgraduate course in Surgical Pathology under the direction of Robert H. Young, M.D. with faculty as listed below. The course is being held at the Sanibel Harbour Resort and Spa, located on a private peninsula with a panoramic waterview looking towards the islands of Sanibel and Captiva, well known for their unspoiled charm. The objective of this course is to provide a comprehensive review of selected topics in surgical pathology including gastrointestinal pathology, pulmonary pathology, hematopathology, female genital tract pathology and urologic pathology. Instruction will be primarily by lecture, but will also include frequent discussion periods. Each participant will receive a comprehensive course syllabus.

Faculty

Judith A. Ferry, M.D.
Massachusetts General Hospital,
Harvard Medical School

John Goldblum, M.D.

Cleveland Clinic Foundation, Cleveland, Ohio

Eugene J. Mark, M.D.

Massachusetts General Hospital,
Harvard Medical School

Robert H. Young, M.D.

Massachusetts General Hospital,
Harvard Medical School

The course has Category I accreditation for approximately 25 hours CME credits by the American Medical Association. The fee for the course is \$725.00 (residents and fellows, \$525.00).

For further information contact: Department of Continuing Education, Harvard Medical School, P.O. Box 825, Boston, MA 02117-0825, Telephone 617-384-8600; Fax 617-384-8686; E-mail: hms-cme@hms.harvard.edu. To register or view course information on line visit: www.cme.hms.harvard.edu.

**UROLOGIC SURGICAL PATHOLOGY FOR THE
PRACTICING PATHOLOGIST**

APRIL 4-7, 2003

Directed by

ROBERT H. YOUNG, M.D.

to be held at

**WESTIN SOUTH COAST PLAZA HOTEL
COSTA MESA, CALIFORNIA**

The Department of Pathology, Massachusetts General Hospital, Harvard Medical School will present a four-day postgraduate course in Urologic Surgical Pathology under the direction of Robert H. Young, M.D. with faculty as listed below. The hotel is within a few minutes of the center of the attractive coastal town of Newport Beach and immediately adjacent to one of the largest shopping malls in the United States. The objective of this course is to provide a comprehensive review of urologic surgical pathology with special attention paid to common diagnostic problems such as prostate biopsy interpretation, recent advances and new entities. Instruction will be primarily by lecture, but will also include frequent discussion periods. Each participant will receive a comprehensive course syllabus.

Faculty

Mahul Amin, M.D.

Emory University

John N. Eble, M.D.

Indiana University

Jonathan I. Epstein, M.D.

Johns Hopkins University School of Medicine

Robert H. Young, M.D.

Massachusetts General Hospital,
Harvard Medical School

The course has Category I accreditation for 25 hours CME credits by the American Medical Association. The fee for the course is \$725.00 (residents and fellows, \$525.00).

**22ND ANNUAL CURRENT ISSUES IN
SURGICAL PATHOLOGY**

MAY 15-17, 2003

**WESTIN GALLERIA HOTEL
DALLAS, TEXAS**

The Department of Pathology, Southwestern Medical School, at The University of Texas Southwestern Medical Center at Dallas will present a continuing medical education symposium under the direction of Dr. Guy Lindberg.

The intensive two and one half day review is designed for practicing pathologists and other interested physicians who have the desire to remain abreast of current issues in surgical pathology. Emphasis will include both overviews of selected topics of continuing interest and update on methods for solving diagnostic problems encountered in surgical pathology. The program will include lectures with clinicopathologic correlations and question and answer sessions on non-neoplastic bone and joint disease, breast pathology, endocrine pathology, interstitial lung diseases and mesothelial proliferations, surgical neuropathology, inflammatory bowel disease, early colorectal carcinoma, skin pathology, placental pathology and immunohistochemistry.

This activity will offer up to 18.5 Category I AMA/PRA credit including one hour of medical ethics and/or professional responsibility. For additional information: Continuing Education, UT Southwestern, 5323 Harry Hines Blvd., Dallas, TX 75390-9059; 800/688-8678, Fax: 214/648-2317.
