

## **CORRIGENDUM**

# **Association of the *NRG1* gene and schizophrenia: a meta-analysis**

MR Munafò, DL Thiselton, TG Clark and J Flint

*Molecular Psychiatry* (2006) 11, 613. doi:10.1038/sj.mp.4001840

**Correction to:** *Molecular Psychiatry* (2006) 11, 539–546.  
doi:10.1038/sj.mp.4001817

Following the online publication of the above article,

the authors noticed the following error: in the footnote to Table 2, 'rs32016134' is incorrect and should read 'rs1462906', which is at the bp position 32016134 of human genome assembly May 2004.
