CORRIGENDUM

Optimal genotype determination in highly multiplexed SNP data

Martin Moorhead, Paul Hardenbol, Farooq Siddiqui, Matthew Falkowski, Carsten Bruckner, James Ireland, Hywel B Jones, Maneesh Jain, Thomas D Willis and Malek Faham

Correction to: *European Journal of Human Genetics* (2006), **14**, 207–215. doi: 10.1038/sj.ejhg.5201528

Since publication of the above paper, the authors have identified an error in one of the equations. In the following equation, published on p 208:

$$y = (2S_2/S_{sum})^{-1}$$

the −1 should not be superscript, so the correct equation reads

$$y = (2S_2/S_{sum}) - 1.$$
