

## Corrigenda

'Sex-linkage of two enzyme loci in *Oncorhynchus mykiss* (rainbow trout)' by Fred W. Allendorf, William A. Gellman and Gary H. Thorgaard (*Heredity*, **72**, 498–507, May 1994)

This article was based partially on data presented in the following thesis, a citation for which was omitted from the published article:

GELLMAN, W. A. 1991. *Sex linkage of two isozyme loci in rainbow trout*. MA Thesis, University of Montana, 33pp.

'Space-time patterns of genetic structure within a stand of *Androcymbium gramineum* (Cav.) McBride (Colchicaceae)' by Juli Caujapé-Castells and Joan Pedrola-Monfort (*Heredity*, **79**, 341–349, October 1997)

In the acknowledgements on p.348, the code of the first research project that supported the research should have read **PB** 93-1223 instead of **P13** 93-1223.
