

## Correction

Correction for “Stereoselective binding of mexiletine and ketoprofen enantiomers with human serum albumin domains” by Shi D, Jin YX, Tang YH, Hu HH, Xu SY, Yu LS, *et al*, which appeared in issue 5, 2012, of *Acta Pharmacol Sin* (33: 710–6; 10.1038/aps.2012.8).

The authors note that on page 714, left column, the correct Figure 7 and legend should be

**Figure 7.** The binding of S-mexiletine (1) and R-mexiletine (2) (1.15  $\mu\text{mol/mL}$ ) to HSA DOM II (4.9  $\mu\text{mol/mL}$ ) ( $n=3$ ).

The authors and editors are sorry for this error.
