⁵Other members of the Late Effects Group are listed before References.

Bone Marrow Transplantation (2014) **49**, 995; doi:10.1038/bmt.2014.103; published online 19 May 2014

Correction to: *Bone Marrow Transplantation* (2014) **49**, 907–912; doi:10.1038/bmt.2014.63; published online 7 April 2014

Please note that the members of the Late Effects Group listed in the section before the appendix do not fulfil the requirements for co-authors of this article and therefore should NOT appear as co-authors in PubMed or any other internal or external indexing

system related to this article. Only the six names listed (DMG, EB, YE, RJMR, SHA and JAS) are co-authors.

The correct authorship is shown above. The corrected article appears online together with this corrigendum.

The authors apologize for any inconvenience caused.
