

## Corrigendum

# Oxygen matters: tissue culture oxygen levels affect mitochondrial function and structure as well as responses to HIV viroproteins

LM Tiede, EA Cook, B Morsey and HS Fox

*Cell Death and Disease* (2012) 3, e274; doi:10.1038/cddis.2012.11; published online 1 March 2012

**Correction to:** *Cell Death and Disease* (2011) 2, e246; doi:10.1038/cddis.2011.128; published online 22 December 2011

This error has now been rectified. The article with the corrected figure appears online, together with this corrigendum.

Since the publication of this article, the authors have noticed that labeling at the top of figure 6a and b was incorrect.

The authors would like to apologize for this error.
