

CORRIGENDUM

Augmented adenovirus transduction of murine T lymphocytes utilizing a bi-specific protein targeting murine interleukin 2 receptor

MS Beatty, L Timares and DT Curiel

Cancer Gene Therapy (2015) **22**, 222. doi:10.1038/cgt.2015.13

Correction to: *Cancer Gene Therapy* (2013) **20**, 445–452; doi:10.1038/cgt.2013.39; published online 9 August 2013

Laura Timares was unintentionally left off the list of authors. She should have been listed along with her affiliation, Department of

Dermatology, University of Alabama at Birmingham, Birmingham, AL, USA. Her NIH funding sources, R21AR055252 and P30AR050948 should also have been listed.

The authors regret the errors.
