Since the publication of the above article, the authors noticed two errors. First, Figure 3 is incorrect (in fact, by mistake the same data as in Table 2 are shown here). The correct Figure 3 is reproduced below.

Second, the authors would like to correct a numerical error. Position –68 nt of *MSH2* (Materials and methods section, legend of Figure 2) should be –62 nt.

The authors would like to apologise for this mistake.
