

ERRATUM: Medical foods: inborn errors of metabolism and the reimbursement dilemma

Meredith A. Weaver, Alissa Johnson, Rani H. Singh, William R. Wilcox, Michele A. Lloyd-Puryear and Michael S. Watson

Genet Med (2010);12:364–369; doi:10.1097/GIM.0b013e3181deb2f0

In **Table 1**, in the second to last row, the average total incidence was erroneously printed as “0.024.” The correct average total incidence should be “0.0024.” The publisher regrets the error.
