

INDEX OF SPECIES

Page numbers in italics refer to the subjects of the paper.

- Aceratagallia* sp., 52
Acyrtosiphon pisum, 52, 54
Adalia bipunctata, 57 65
Aegilops sp. 309-322
 bicornis, 314
 caudata, 315
 crassa, 315
 longissima, 315
 mutica, 315
 ovata, 125-132
 sharonensis, 315
 speltioides, 309-322
 squarrosa, 309-322
 umbellulata, 126, 315
Agropyron, sp., 51
Allium cepa, 244
 alpine grasshopper, 28
Amsinckia spp., 272
 grandiflora, 156
Anasa tristis, 52
Anopheles arabiensis, 323-326
 gambiae, 323-326
 quadriannulatus, 323-326
 stephensi, 325
Antirrhinum glutinosum, 184
 majus, 184, 277, 277-278
Aphis sp., 52
 craccivora, 52, 54
 craetigifoliae, 52
 helichrysi, 52
 lutescens, 52
Aphrodes albifrons, 52
Apis mellifera, 223, 225, 235, 236
Asclepias syriaca, 144
Ascobolus immersus, 273, 337-352
Aspergillus nidulans, 273-274, 278-279, 280
Athysanus argentarius, 52, 53
Avena, 319

Beta vulgaris, 156
Biston betularia, 141
Borago officinalis, 149, 155, 156
Brassica oleracea, 395
 var. *capitata*, 373-379

Caledia captiva, 13-32
 Cauliflower, 1, 11
Cepaea, 141
Chlorotettix sp., 52
Clarkia, 211
Cloanthus actutus, 52
 cuprescens, 52

Colias, 55
 eurytheme, 359-371
 philodice, 359-371
Coprinus, 273
Corythucha marmota, 52
Culex tritaeniorhynchus, 325

Dicrostonyx torquatus, 67-77
Didymuria violescens, 28
Draeculacephala sp., 52
Drosophila, 148, 259, 325, 405
 arizonensis, 14
 melanogaster, 79-89, 109, 244, 245,
 277, 327-335, 369, 370, 405
 mojavensis, 14
 pseudo-obscura, 63
 robusta, 259

Empoasca fabae, 52, 53
Eristalis tenax, 223-236
 intricarius, 224
Escherichia coli, 351

Fagopyrum esculentum, 272
 flax, 237-246

Gelsemium sempervirens, 272
Gilia capitata, 184
Graminella fitchii, 52

 honeybees, 223, 267-269
Hordeum, 319
 bulbosum, 291-298
 vulgare, 291, 298
 Human, 275, 276, 281
Hypericum aegypticum, 271-272

Kluyveromyces lactis, 275

Larix decidua, 137
Leontodon autumnalis, 224
Lepyronia quadrangularis, 52
 lettuce, 1-11
Limonium vulgare, 272
Lotus corniculatus, 49, 55
Lucilia cuprina, 325
Lygus oblineatus, 52

- Macrosteles* sp., 52
fascifrons, 52, 53
 maize—see *Zea mays*
Maniola jurtina, 91-104, 259-266
Medicago caerulea, 149
sativa, 149
Merodon equestris, 223, 235
Mesopsocus unipunctatus, 133-142
Myopus schisticolor, 74
Myosotis scorpioides, 149-157
Myrmeleotettix maculatus, 397-401
Myzus sp., 52
persicae, 52
- Nearctaphis bakeri*, 52, 54
Neokolla hieroglyphica, 52
Neurospora crassa, 278-279, 280
Nicotiana, 1-11
rustica, 41-48, 299-307
Nivenia, 272
- Oenothera brevipes*, 184
claviformis, 184
Oliarus franciscanus, 52
Osmunda regalis, 409
- Papilio dardanus*, 236
Parus major, 137
 pea, 281
Pelargonium, 281
Philaenus spumarius, 53
Phlox drummondii, 184
Pisum sativum, 244, 281
Pleurococcus, 133
Poa pratense, 92
Podisma pedestris, 28
Polyamia inimica, 52
Primula, spp., 271, 272
Pseudococcus obscurus, 398
Psychotria warneckeii, 272
Puccinellia martima, 188
Pulmonaria officinalis, 272
- Ranidella insignifera*, 381-389
pseudoinsignifera, 381-389
- Saccharomyces cerevisiae*, 274, 274-275, 278-279, 280
Schizophyllum commune, 273
Schizosaccharomyces pombe, 282, 409
Sciara ocellaris, 353-357
sepia, 353-357
Secale, 319
cereale, 126, 283-289, 292, 310, 311, 312
- Senecio squalidus*, 224
Silene dioica, 213
Spalax ehrenbergii, 15
Sphaeroma rugicauda, 187-199
serratum, 199
Systema frontalis, 51
- Tetraopes tetraophthalmus*, 64, 143-148
Therioaphis trifolii, 52, 54
Trifolium repens, 49-56
Triticum, 309-322
aestivum, 125-132, 247-258, 291-298, 309-322
aegilopoides, 315, 316, 319
boeoticum, 314-317, 319, 320
dicoccoides, 314-316, 320
monococcum, 309-322
thaouar, 315, 316, 319
timopheevi, 314, 315, 316
urartu, 315, 319
Tussilago farfara, 224
- Uragoga* spp., 272
- Varying Lemming, 67-77
Vicia faba, 149, 156
Viscum, 201-222
album, 202, 212
alniformosanae, 212
anceps, 208, 211
capense, 208, 211
capense, 210
sub sp. hoolei, 203, 204, 210
compreticola, 207, 208
continuum, 208, 211
crassulae, 208, 211
cruciatum, 202, 212
engleri, 202, 208, 211
fischeri, 202, 207, 211, 212
hildebrandtii, 202-205, 207, 208, 211, 213
menyharthii, 208, 211
minimum, 204
multiflorum, 204
nervosum, 204
obovatum, 204
obscurum, 208, 209, 211, 212, 215
oreophilum, 208, 209
rotundifolium, 204
schimperii, 204
shirense, 204, 208, 211
spragueanum, 204
subserratum, 207, 208, 211, 212
tuberculatum, 204
verrucosum, 204, 208, 209, 211
Volucella bombylans, 223, 235
- Zea mays*, 33-40, 244, 391-395
