

## Index of Species

Page numbers in italics refer to the subjects of the papers.

- Abies balsamea*, 19  
*Adalia bipunctata*, 129  
*Aegilops bicornis*, 335–342  
    *caudata*, 336  
    *comosa*, 336  
    *cylindrica*, 341  
    *heldreichii*, 336  
    *longissima*, 335–342  
    *searsii*, 335–342  
    *sharonensis*, 335–342  
    *speltoides*, 335–342  
    *squarrosa*, 335–342  
    *ventricosa*, 341  
*Allium* spp., 59, 64  
    *fistulosum*, 56  
    *flavum*, 63  
    *pallens*, 63  
    *sphaerocephalon*, 63  
*Allonemobius fasciatus*, 315–318  
*Ankistrodesmus* sp., 385  
*Anopheles arabiensis*, 234, 238, 258, 259, 263  
    *gambiae*, 233–242, 257–264  
    *melas*, 234, 238  
    *merus*, 234, 238  
    *quadriannulatus*, 234, 238  
*Arabidopsis thaliana*, 411–418  
*Arcyptera tornosi*, 269, 276  
*Artemia parthenogenetica*, 390  
*Asellus aquaticus*, 248  
*Atractomorpha similis*, 270  
*Avena barbata*, 166
- Biston betularia*, 223  
*Brassica campestris*, 204  
*Brassica oleracea*, 204  
*Bromus mollis*, 166  
*Broussaisia arguta*, 356
- Calliphora erythrocephala*, 234  
*Calycadenia*, 63  
*Carex platyphylla*, 161  
*Cepaea nemoralis*, 223, 365–371  
*Cervus elaphus*, 311  
    *nippon*, 311  
*Chlorella* sp., 385  
*Choealis conspersa*, 56  
*Chorthippus*, 351  
    *binotatus*, 63  
    *jucundus*, 51–57  
    *parallelus*, 350, 351  
*Chortoicetes terminifera*, 94  
*Chrysanthemum boreale*, 422  
    *japonense*, 422  
    *morifolium*, 419–423  
*Chryso*, 355  
*Clermontia arborescens*, 356  
*Coelopa frigida*, 123–131, 173, 223–232  
    *pilipes*, 224, 226  
*Colias eurytheme*, 249  
*Crepis capillaris*, 59–65  
*Ctenodaphnia*, 208  
*Cucurbita*, 63  
*Cucurbita pepo*, 60
- Cylindrotettix obscurus*, 297  
    *santarosae*, 297  
*Cypridopsis*, 391  
*Cypridopsis okeechobei*, 384  
    *vidua*, 383–392  
*Cyprinotus incongruens*, 383
- Daphnia*, 1, 8, 9  
    *cucullata*, 207–216  
    *galeata*, 207–216  
    *hyalina*, 214, 215  
    *longispina*, 207–216  
    *magna*, 207–216  
    *pulex*, 207–216  
    *pulicaria*, 207–216  
*Dichroplus pratensis*, 63  
*donkey*, 393–406  
*Drosophila*, 107, 112, 133, 139, 182, 233, 239, 240, 280, 295,  
    296, 297, 351, 431  
    *affinis*, 428  
    *mauritiana*, 97–106  
    *mediopunctata*, 425–428  
    *melanogaster*, 11–16, 27–34, 35–44, 103, 123, 145–151, 177–  
        183, 193–198, 223, 233, 251–255, 284, 301–305, 351,  
        373–381  
    *obscura*, 425, 428  
    *paramelanica*, 428  
    *persimilis*, 97, 106  
    *pseudoobscura*, 97, 106, 177, 223, 281, 428  
    *sechellia*, 97–106  
    *simulans*, 97–106, 177  
    *subobscura*, 111  
    *willistoni*, 177
- Enoplognatha lineata*, 355  
    *ovata*, 355–357, 361  
    *redimita*, 355  
*Erithacus rubecula*, 263–268  
*Eucalyptus pauciflora*, 166  
*Eucera*, 220  
*Eyprepocnemis plorans*, 63, 92, 217–221
- Festuca*, 134  
    *microstachys*, 416  
*Fringilla coelebs*, 263–268  
*Fucus*, 224  
    *serratus*, 124  
    *vesiculosus*, 124
- Gammarus oceanicus*, 243, 244  
*Gorilla gorilla*, 282  
*Gryllus bimaculatus*, 350  
    *firmus*, 315, 317  
    *integer*, 350  
    *supplicans*, 350
- Haroldgrantia lignosa*, 297  
*Hedychium coronarium*, 356  
*Helianthus annuus*, 166  
*Heliconius erato*, 283–284  
*Heteracris littoralis*, 91–95, 217, 220  
*Heterocypris incongruens*, 383

- Hordeum*, 19  
 horse, 393-406  
*Hypochoeris*, 332  
  
*Iberis amara*, 200, 204  
*Impatiens capensis*, 159, 416  
  
*Laminaria*, 224  
*Latrodectus*, 355  
*Leporella fimbriata*, 161-167  
*Leptysma argentina*, 112, 289-299  
   *gracilis*, 297  
*Lilium callosum*, 64, 91, 94  
*Locusta migratoria*, 45, 56, 77-84, 350  
*Lolium multiflorum*, 284  
   *perenne*, 284, 407-410  
*Lotus corniculatus*, 423  
*Lycopersicon pimpinellifolium*, 166  
  
 maize, 431  
*Melanoplus* spp., 56, 83  
   *femur-rubrum*, 94, 217  
*Melitaea aurinea*, 138  
*Mus musculus*, 283  
*Mycobacterium avium*, 283  
   *paratuberculosis*, 283  
*Myrmeleotettix maculatus*, 91, 94, 217, 220  
*Mytilus edulis*, 169-176, 223  
  
*Oedipoda germanica*, 269-277  
*Ornithogalum lanceolatum*, 67  
   *montanum*, 67-75  
  
*Pachycrepoideus*, 182  
*Pan troglodytes*, 282  
*Papaver rhoeas*, 204  
*Passer domesticus*, 263-268  
*Peromyscus maniculatus*, 243  
*Phiale crocea*, 356  
   *minima*, 356  
   *ortrudae*, 356  
   *tristis*, 356  
*Phleum pratense*, 423  
*Picea abies*, 185-191  
*Pinus* spp., 190  
*Pinus monticola*, 166  
*Pinus sylvestris*, 166  
*Pityohyphantes phrygianus*, 356  
*Plantago lanceolata*, 153-160  
*Plasmodium falciparum*, 257  
*Platorchestia platensis*, 243-249  
*Podisma pedestris*, 343-353  
*Poecilia reticulata*, 123  
*Poeciliopsis monacha lucida*, 390  
  
*Polyphemus pediculus*, 1-10  
*Pongo pygmaeus*, 282  
*Porcellio scaber*, 243  
*Pseudotsuga menziessi*, 19  
*Pteridium*, 134  
*Pyrgomorpha kraussii*, 139  
  
*Raphanus raphanistrum*, 200, 204  
*Rumex acetosa*, 133-140  
 rye, see *Secale cereale*  
  
*Salmonella typhimurium*, 281  
*Schistocerca gregaria*, 45-49, 77, 83, 286  
   *paranensis*, 331  
*Scilla autumnalis*, 59, 138  
*Secale cereale*, 17-26, 117-121, 282, 319-325, 327-334  
   *vavilovii*, 22  
*Sinapis arvensis*, 199-205  
*Spalax ehrenbergi*, 85-90  
*Sphaeroma rugicauda*, 243, 248  
*Sorex araneus*, 283  
*Stenopola bohlsi*, 297  
*Sturnus vulgaris*, 263-268  
  
*Taraxacum officinale*, 417  
*Theridion frondeum*, 355  
   *gonygaster*, 355  
   *grallator*, 355-363  
   *melanostictum*, 355  
*Trifolium repens*, 161  
*Trimerotropis gracilis*, 112  
   *helferi*, 112  
   *pallidipennis*, 107-112  
   *pseudofasciata*, 112  
*Triticum aestivum*, 355-342  
   *monococcum*, 335-342  
     var. *boeoticum*, 337  
     var. *urartu*, 337  
   *timopheevi*, 340  
   *turgidum*, 335-342  
     var. *dicoccooides*, 335  
*Tucayaca gracilis*, 297  
   *parvula*, 297  
*Turdus merula*, 263-268  
   *philomelos*, 263-268  
  
 wheat, dinkel, 335  
   emmer, 335  
  
*Zea mays*, 19  
*Zoarces viviparus*, 243, 249
