

Erratum

□ In the short communication "Mutational analysis of *TSC1* and *TSC2* genes in Japanese patients with tuberous sclerosis complex" by Zhang et al. [J Hum Genet (1999) 44:6, 391-396], 11 errors were found in Table 2A and 2B by their recent study as listed below.

Table 2A. Mutations in *TSC1*

		Error	Correction
Patient 46	Amino acid change	<u>216PheFS-216X(a)</u>	<u>F216X</u>
	Nucleotide alteration	<u>866delTT</u>	<u>868delTT</u>
Patient 11	Amino acid change	<u>311SerFS-340X</u>	<u>330LeuFS-340X</u>
Patient 31	Amino acid change	<u>T417I</u>	<u>T417I</u>
Patient 12	Nucleotide alteration	<u>2918 CtoG</u>	<u>2917 CtoG</u>
Patient 46, 27, 3	Amino acid change	<u>L574L</u>	<u>L576L</u>

Table 2B. Mutations in *TSC2*

		Error	Correction
Patient 48	Mutation	<u>238LeuFS-337X</u>	<u>236LeuFS-337X</u>
Patient 30	Mutation	<u>F320L</u>	<u>L320F</u>
	Nucleotide alteration	<u>978TtoG</u>	<u>978GtoT</u>
Patient 32	Nucleotide alteration	<u>1957AtoG</u>	<u>1957GtoA</u>
Patient 33	Mutation	<u>I531I</u>	<u>I531I</u>
