

## Corrigendum

# Metastatic breast carcinomas display genomic and transcriptomic heterogeneity

Britta Weigelt, Charlotte KY Ng, Ronglai Shen, Tatiana Popova, Michail Schizas, Rachael Natrajan, Odette Mariani, Marc-Henri Stern, Larry Norton, Anne Vincent-Salomon and Jorge S Reis-Filho

*Modern Pathology* (2015) **28**, 607; doi:10.1038/modpathol.2014.163

**Correction to:** *Modern Pathology* advance online publication, 21 November 2014; doi:10.1038/modpathol.2014.142

The title of this paper is incorrect due to a post-acceptance error. The correct title is 'Metaplastic

breast carcinomas display genomic and transcriptomic heterogeneity.' The authors and editors apologize for the confusion this error has caused.
