

# Know your Nobel

Test your knowledge of the prizes' storied history.

**Emma Brown**

24 September 2015

The first Nobel prize of 2015 — the award for physiology or medicine — will be announced on 5 October. Prizes for physics, chemistry and economics will follow. (Check out [this year's crop of Nobel predictions](#).)

How much do you know about the awards, which began in 1901? Find out by taking our Nobel quiz. And remember, keep your eyes on the prize.

## Survey not found

The survey you are looking for was either moved or removed, or maybe the URL was entered incorrectly.

Some things to try:

Check that the URL was entered correctly.

Instead of clicking on the link, try copy and pasting the link instead.

Contact the person/organization running the survey.
