Erratum: Antarctic glaciation caused ocean circulation changes at the Eocene–Oligocene transition

A. Goldner, N. Herold & M. Huber

Nature **511**, 574–577 (2014); doi:10.1038/nature13597

In this Letter, the Fig. 2a legend should state ‘Ocean surface temperature anomalies’ and the Fig. 2b legend should state ‘Zonally averaged ocean temperature anomaly’, rather than vice versa. This has been corrected in the online versions of the paper.
