In this Letter, Fig. 2h was inadvertently a duplicate of Fig. 2m, owing to figure reformatting after the manuscript had been accepted. The correct image for the *Upd*//+ experiment in Fig. 2h is shown in Fig. 1 of this Corrigendum. This error does not affect the results or conclusions of the Letter, and we apologize for the mistake. The original Letter online has not been corrected.

Figure 1 | This is the corrected Fig. 2h of the original Letter.
