

## CORRIGENDUM

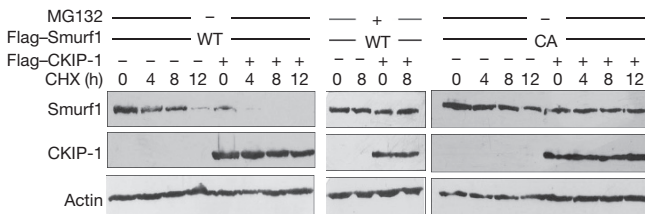

### Targeting WW domains linker of HECT-type ubiquitin ligase Smurf1 for activation by CKIP-1

Kefeng Lu, Xiushan Yin, Tujun Weng, Shenli Xi, Li Li, Guichun Xing, Xuan Cheng, Xiao Yang, Lingqiang Zhang and Fuchu He

*Nat. Cell Biol.* **11**, 994–1002 (2009); published online 20 July 2009; corrected after print, 27 April 2010

In the version of this letter initially published online, Fig. 1c (middle panel), Fig. 3a (bottom panels) and Fig. 3c (bottom panel) were incorrectly labelled. The corrected labelling is shown below. These errors have been corrected in both the HTML and PDF versions of the letter.

**Fig. 1c**

## CORRIGENDUM

### Regulation of NF- $\kappa$ B inhibitor I $\kappa$ B $\alpha$ and viral replication by a KSHV microRNA

Xiufen Lei, Zhiqiang Bai, Fengchun Ye, Jianping Xie, Chan-Gil Kim, Yufei Huang and Shou-Jiang Gao

*Nat. Cell Biol.* **12**, 193–199 (2010); published online 17 January 2010; corrected after print, 29 April 2010

In the version of the article originally published, the lanes corresponding to WT and  $\Delta$ miRs\_rt were duplicated in Figure S1b. New data from an independent experiment are presented below. The conclusions remain unaltered.
