CORRIGENDUM

Spatial regulation of Dia and Myosin-II by RhoGEF2 controls initiation of E-cadherin endocytosis during epithelial morphogenesis

Romain Levayer, Anne Pelissier-Monier and Thomas Lecuit

Nat. Cell Biol. **13**, 529–540 (2011); published online 24 April 2011; corrected after print 18 April 2011

In the version of this article initially published in print, the colouring of the labels for the confocal microscopy image in Figure 1f was incorrect. This error has been corrected in both the HTML and PDF versions of the article.

CORRIGENDUM

Harnessing the potential of induced pluripotent stem cells for regenerative medicine

Sean M. Wu and Konrad Hochedlinger

Nat. Cell Biol. **13**, 497–505 (2011); published online 3 May 2011; corrected after print 28 April 2011

In the version of this review initially published in print, reference 105 was incorrect. This reference has now been removed, and the remaining references have been renumbered. Sentences referring to this reference have been removed, and the text has been reworded accordingly. This error has been corrected online in both the HTML and PDF versions of the review.

ERRATUM

Carbonic anhydrases are upstream regulators of CO₂-controlled stomatal movements in guard cells

Honghong Hu, Aurélien Boisson-Dernier, Maria Israelsson-Nordström, Maik Böhmer, Shaowu Xue, Amber Ries, Jan Godoski, Josef M. Kuhn and Julian I. Schroeder

Nat. Cell Biol. **12**, 87–93 (2010); published online 13 December 2009; corrected after print 16 May 2011

In the version of this article initially published online and in print, an incorrect link was provided by *Nature Cell Biology* in the Competing Financial Interests. The Competing Financial Interests should have included the following statement that was correctly submitted by the authors prior to publication: The University of California, San Diego, has submitted a patent form on behalf of J.I.S., M.I.-N., J.M.K., H.H. and A.B.D. on aspects of the findings. This error has been corrected in both the HTML and PDF versions of the article.

ERRATUM

Cdk5-mediated phosphorylation of endophilin B1 is required for induced autophagy in models of Parkinson's disease

Alan S. L. Wong, Rebecca H. K. Lee, Anthony Y. Cheung, Patrick K. Yeung, Sookja K. Chung, Zeldia H. Cheung and Nancy Y. Ip

Nat. Cell Biol. **13**, 568–579 (2011); published online 17 April 2011; corrected after print 21 April 2011

In the version of this article initially published online and in print, Figure 3b was incorrect. The Flag-EndoB1 wild-type label for lane 1 of the gels should have been + instead of -. There was also a missing control panel. These errors have been corrected in both the HTML and PDF versions of the article.
