
Erratum: Atomic resolution crystallography reveals how changes in pH shape the protein microenvironment

Artem Y Lyubimov, Paula I Lario, Ibrahim Moustafa & Alice Vrielink

Nat. Chem. Biol. 2, 259–264 (2006); published online 9 April; corrected after print 18 April 2006

In the version of this article initially published, the seventh sentence of the fifth paragraph is incorrect. It should read “Hydrogen atoms for the side chains were also clearly visible when the residues showed low-temperature factors (typically below 8 Å²).” The error has been corrected in the HTML and PDF versions of the article.

Corrigendum: Elevated levels of oxidized cholesterol metabolites in Lewy body disease brains accelerate α -synuclein fibrilization

Daryl A Bosco, Douglas M Fowler, Qinghai Zhang, Jorge Nieva, Evan T Powers, Paul Wentworth, Jr, Richard A Lerner & Jeffery W Kelly

Nat. Chem. Biol. 2, 249–253 (2006); published online 26 March; corrected after print 8 May 2006

In the version of this article initially published, a funding source was omitted. The following statement should be added to the end of the Acknowledgments section: “D.A. Bosco is grateful to the National Institutes of Health for a postdoctoral fellowship. We thank the National Institutes of Health (NS050636), the Skaggs Institute for Chemical Biology and the Lita Annenberg Hazen Foundation for financial support.” The error has been corrected in the PDF version of the article.
