

Heart failure in childhood cancer survivors

Steven E Lipshultz

Nature Clinical Practice Oncology (2007) **4**: 334–335 [doi:10.1038/ncponc0818]

doi:10.1038/ncponc0985

ERRATUM

In the June 2007 issue, in the Practice Point by Steven E Lipshultz that was based on the original article by van Dalen EC *et al.* (2006) *Eur J Cancer* **42**: 3191–3198, there was an error in the objective section of the synopsis. The

correct sentence should have read “To evaluate the risk factors for and cumulative incidence of A-CHF in a large group treated with anthracyclines for childhood cancer between the period 1976 and 2000.”
