

Lenalidomide plus dexamethasone is efficacious in patients with relapsed or refractory multiple myeloma

Nikhil C Munshi, Constantine Mitsiades, Paul G Richardson and Kenneth C Anderson

Nature Clinical Practice Oncology (2008) **5**: 374–375 [doi:10.1038/ncponc1151]

CORRIGENDUM

In the Practice Point article by Munshi *et al.* published in the July 2008 issue of *Nature Clinical Practice Oncology*, it was not disclosed at the time of publication that one

of the co-authors, Constantine Mitsiades, has competing interests. The correct competing interests information should read 'C Mitsiades receives Consultant honoraria from Millenium and Pharmion'.

doi:10.1038/ncponc1212

Prognosis and outcomes of lymphocyte-predominant Hodgkin's lymphoma

Grace Suh and Anas Younes

Nature Clinical Practice Oncology (2008) **5**: 368–369 [doi:10.1038/ncponc1153]

ERRATUM

In the July 2008 issue of *Nature Clinical Practice Oncology*, the published online date

for the Practice Point by Suh and Younes was incorrect. The article was published online on 10 June 2008.
