

*corrigendum*

---

**A mouse model for the learning and memory deficits associated with neurofibromatosis type I**

A J Silva, P W Frankland, Z Marowitz, E Friedman, G Lazlo, D Cioffi, T Jacks & R Bourtchuladze

*Nature Genet.* **15**, 281–284 (1997).

The name of the fifth author is incomplete and misspelled: G Lazlo is GS Laszlo.

*erratum*

---

***nagie oko*, encoding a MAGUK-family protein, is essential for cellular patterning of the retina**

Wei, X & Malicki, J

*Nature Genet.* **31**, 150–157 (2002).

GenBank accession numbers for the new genes reported in this article were erroneously omitted. They are AF510111 for *nok* and AF509629 for *xwjm1*.
