

## Corrigendum: Enhanced Southern Ocean marine productivity due to fertilization by giant icebergs

Luis P. A. M. Duprat, Grant R. Bigg and David J. Wilton

*Nature Geoscience* **9**, 219–221 (2016); published online 11 January 2016; corrected after print 16 August 2016.

In the version of this Letter originally published, it was incorrectly stated in Figure 1 that Chlorophyll-*a* concentrations were recorded on 12 January 2013, when the date should have been 1 December 2013. This has been corrected in the online versions of the paper.
