

Erratum: TRADD interacts with STAT1- α and influences interferon- γ signaling

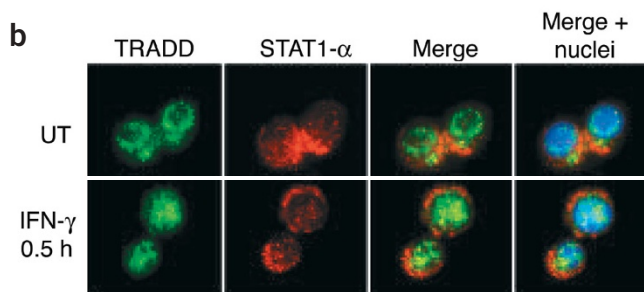

Duane R Wesemann, Hongwei Qin, Natalia Kokorina & Ety N Benveniste
Nature Immunology 5, 199–207 (2004).

On page 204, column 2, line 3, the number should read “(1,700%)” *Nature Immunology* regrets the error.

Corrigendum: TRADD interacts with STAT1- α and influences interferon- γ signaling

Duane R Wesemann, Hongwei Qin, Natalia Kokorina & Ety N Benveniste
Nature Immunology 5, 199–207 (2004).

Figure 3b should have a line separating the top and bottom halves.

Corrigendum: Saposin C is required for lipid presentation by human CD1b

Florian Winau, Vera Schwierzeck, Robert Hurwitz, Natascha Rimmel, Peter A Sieling, Robert L Modlin, Steven A Porcelli, Volker Brinkmann, Masahiko Sugita, Konrad Sandhoff, Stefan H E Kaufmann & Ulrich E Schaible
Nature Immunology 5, 169–174 (2004).

Citation of two papers was accidentally omitted. The paper by Hiraiwa, M., Soeda, S., Kishimoto, Y. & O'Brien, J.S. Binding and transport of gangliosides by prosaposin. *Proc. Natl. Acad. Sci. USA* 89, 11254–11258 (1992) should have been cited instead of reference 24 on page 171, last paragraph, first sentence. The paper by Christomanou, H., Chabas, A., Pampols, T. & Guardiola, A. Activator protein deficient Gaucher's disease. A second patient with the newly identified lipid storage disorder. *Klin. Wochenschr.* 67, 999–1003 (1989) should have been cited instead of reference 22 on page 169, second column, top paragraph and on page 173, first column, top paragraph, last sentence.
