In the version of this article initially published, the title included a misspelling—‘heterotropic’ should have been ‘heterotopic’. Additionally, the fourth and fifth sentences of the abstract were incorrectly worded and have been corrected to state more clearly the role of Ad.Cre. These changes do not affect the scientific content of the text. The errors have been corrected in the HTML and PDF versions of the article.

Corrigendum: Eradication of acute promyelocytic leukemia-initiating cells through PML-RARA degradation

Nat. Med. 14, 1333–1342 (2008); published online 23 November 2008; corrected after print 7 January 2009

In the version of this article initially published, the *x*-axis title of the right-hand graph in the ‘Day 2’ part of Figure 1f was incorrect. The title should read ‘Time to death in secondary transplants (d)’. The error has been corrected in the HTML and PDF versions of the article.
