

Corrigendum: Bacteria-instructed synthesis of polymers for self-selective microbial binding and labelling

E. Peter Magennis, Francisco Fernandez-Trillo, Cheng Sui, Sebastian G. Spain, David J. Bradshaw, David Churchley, Giuseppe Mantovani, Klaus Winzer and Cameron Alexander

Nature Materials **13**, 748–755 (2014); published online 11 May 2014; corrected after print 7 January 2016.

In the version of this Article originally published, the fluorescence micrograph in Fig. 3b, the second panel on the lower row erroneously showed a micrograph that corresponded to *Escherichia coli* instead of *Pseudomonas aeruginosa*. The correct image is shown below, and this error has been corrected in the online versions of the Article.
