

Corrigendum: Metabolic biotinylation of cell surface receptors for *in vivo* imaging

Bakhos A Tannous, Jan Grimm, Katherine F Perry, John W Chen, Ralph Weissleder & Xandra O Breakefield
Nat. Methods 3, 391–396 (2006); published online 20 April 2006; corrected after print 10 July 2006.

In the version of this article originally published, reference 12 was incorrect. The correct reference 12 is Querol, M., Chen, J.W., Weissleder, R. & Bogdanov, A. Jr. DTPA-bis-amide based MR sensor agents for peroxidase imaging. *Org. Lett.* 17, 1719–1722 (2005). *This error has been corrected in the PDF version of the article.*

Corrigendum: A highly flexible tRNA acylation method for non-natural polypeptide synthesis

Hiroshi Murakami, Atsushi Ohta, Hiroshi Ashigai & Hiroaki Suga
Nat. Methods 3, 357–359 (2006); published online 20 April 2006; corrected after print 10 July 2006.

In the version of this article initially published, the authors did not declare competing financial interests. They have filed a patent covering some of the information described in the paper and now declare competing financial interests. *This error has been corrected in the PDF version of the article.*
