

Corrigendum: Spike timing of dendrite-targeting bistratified cells during hippocampal network oscillations *in vivo*

Thomas Klausberger, László F Márton, Agnes Baude, J David B Roberts, Peter J Magill & Peter Somogyi
Nature Neuroscience 7, 41–47 (2004); published online 23 November 2003; corrected after print 20 June 2006

In the version of this article initially published, the dose of urethane anesthesia in the Methods section was incorrect. The correct dose should be 1.25 g per kg of body weight. The error has been corrected in the PDF version of the article. The authors regret the error.

Erratum: Measuring the brain's assumptions

Matteo Carandini
Nature Neuroscience 9, 468–470 (2006); corrected after print 9 June 2006

In the version of this article originally published, the abstract contained an error. The abstract should read “A Bayesian model of visual motion perception describes how the brain combines assumption with evidence. A new study in this issue tests and expands the model, building connections between perception, the environment and neural responses.” The error has been corrected in the HTML and PDF versions of the article.

Erratum: Neural systems of reinforcement for drug addiction: from actions to habits to compulsion

Barry J Everitt & Trevor W Robbins
Nature Neuroscience 8, 1481–1489 (2005); corrected after print 31 March 2006

In the version of this article initially published, there was an error in Figure 1. The correct version of the figure is below. The error has been corrected in the HTML and PDF versions of the article.
