

## Erratum: Photosynthesis: Getting it together for CO<sub>2</sub> fixation

Robert Wilson and Spencer Whitney

*Nature Plants* 1, 15130 (2015); published online 1 September 2015; corrected 15 September 2015

In the originally published version of this News and Views, the schematic of the Rubisco activase complex in Fig. 1 should have comprised six subunits. This error has been corrected.
