

ERRATUM

The plasticity of cyanobacterial metabolism supports direct CO₂ conversion to ethylene

Wei Xiong, John A. Morgan, Justin Ungerer, Bo Wang, Pin-Ching Maness and Jianping Yu

Nature Plants **1**, 5053 (2015); published online 27 April 2015; corrected 18 May 2015

In the version of this Letter originally published, the colouring of two bar charts in Fig. 3 was incorrect. Additionally, in Fig. 4e the *x*-axis should have read 'WT' and 'JU57'. These errors have been corrected.
