*Neuropsychopharmacology* (2009) **34**, 816; doi:10.1038/npp.2008.91; published online 25 June 2008

**Correction to:** *Neuropsychopharmacology* advance online publication, 19 March, 2008; doi:10.1038/sj.npp.2008.24

In this article, page 5, right column, fifth paragraph, line 2, first sentence following run-in head (*'Comparisons between*

*those with high and low baseline DISF scores.'*) should be 'Women with low and high total DISF scores at baseline had significantly different responses to induced hypogonadism (Figure 2).'
