**CORRIGENDUM****PET imaging of the neurovascular interface in cerebrovascular disease**

*Nicholas R. Evans, Jason M. Tarkin, John R. Buscombe, Hugh S. Markus, James H. F. Rudd & Elizabeth A. Warburton*

*Nature Reviews Neurology* **13**, 676–688 (2017)

In this article as originally published, Prof. J. C. Baron was credited as the source of Figure 3. However, we omitted to state that permission to reproduce Figure 3 was obtained from Oxford University Press, the publisher of Prof. J. C. Baron's article. This omission has been corrected online as of 3 April 2018.
