

## **Errata**

In the Research News article “Nothing Endures but Change” (Pediatr Res 49: 452, 2001), the author’s name, Eve A. Roberts, was inadvertently omitted from the article. We regret the error.

---

In the article “Spontaneous Breathing during Partial Liquid Ventilation in Animals with Meconium Aspiration” (Pediatr Res 49: 572, 2001), the name of the last author is Axel R. Franz. We regret the error.
