

Maternal or neonatal infection: association with neonatal encephalopathy outcomes

Meike Jenster, Sonia L. Bonifacio, Theodore Ruel, Elizabeth E. Rogers, Emily W. Tam, John Colin Partridge, Anthony James Barkovich, Donna M. Ferriero and Hannah C. Glass

Correction to: *Pediatric Research* (2014) **76**, 93–99 doi:10.1038/pr.2014.47

In this article, a single subject was reported as having “Group B *streptococci*” (GBS) infection, whereas this should have read “Group A *streptococci*” (GAS) as a re-review of the data indicate a *Streptococcus viridans* infection.
