Correction to: *Journal of Human Genetics* advance online publication 16 November 2017; <https://doi.org/10.1038/s10038-017-0345-3>

The authors of the above paper noticed an error in publication. In Results section, under sub-section *RHD* genetic variations, the deletion nomenclature for Sample 1 was incorrectly given as [NC_000001.11(NG_007494.1):c.(1-15149_1-15153)_(148+3154_148+3158)del].

The correct nomenclature for Sample 1 deletion is [NC_000001.11(NG_007494.1):c.(-15149_-15145)_(148+3154_148+3158)del].

This correction does not alter the results and their interpretation as discussed in the paper.

The authors would like to apologize for the error.
