Correction to: *Oncogene* <https://doi.org/10.1038/s41388-024-02974-w>, published online 23 February 2024

Following publication of this article, an amendment was made to the Supplementary Text, Figures, & Table Legends document.

The original Supplementary Fig. 1B and the associated paragraph from the supplement were removed. To prevent figure reference renumbering, the authors separated the original Supplementary Fig. 1A into two panels A and B.

The new file is available via the link below:
