Retraction to: *Acta Pharmacologica Sinica*, published online 01 December 2006. Erratum in: *Acta Pharmacologica Sinica* (2007) 28, 430. <https://doi.org/10.1111/j.1745-7254.2006.00459.x>

The Editor has retracted this article [1] because some of the figures have errors which were introduced during the process of integrating and editing the original images (Figs. 3, 4, and 5). Due to the fact that the research was conducted over 10 years ago, the

original data can no longer be found, and the article cannot be corrected. All authors agree to this retraction.
