Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-11698-5>, published online 16 August 2019.

The originally published version of this Article contained errors in Fig. 7c that were inadvertently introduced during typesetting. The label of third panel on the top row was inadvertently labelled DMI1 2TM rather than DMI1 4TM. Also, the second panel on the bottom row was inadvertently labelled D470A rather than D472A. These errors have now been corrected in both the PDF and HTML versions of the Article.
