Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-15778-9>, published online 24 April 2020.

The original version of the Supplementary Information associated with this Article contained an error in the Supplementary Data 2 file, which arose during manuscript preparation. The values in column D were sorted in descending order, but columns A–C were not re-ordered accordingly. The HTML has been updated to include the correct Supplementary Data 2 file.
