The original version of this Article omitted from the author list the 25th author Glen K. Bonney, who is from ‘Division of Hepatobiliary & Pancreatic Surgery, Department of Surgery, University Surgical Cluster, National University Health System, Singapore’. Consequently, the following was added to the Author Contributions: ‘G.K.B recruited patients, provided samples and discussed the data. F.G. provided analysis support for immunomics data.’ The original version of this Article also contained an error in the author affiliations. Affiliation 12 incorrectly read ‘Department of Medicine, Yong Loo Lin School of Medicine, National University Hospital Singapore, Singapore, Singapore’. In addition, the original version of this Article contained an error in the author affiliations. Yock Young Dan was incorrectly associated with Division of Gastroenterology and Hepatology, National University Hospital Singapore, Singapore, Singapore. These errors have now been corrected in both the PDF and HTML versions of the Article.
