Correction to: *Nature Astronomy* <https://doi.org/10.1038/s41550-020-01230-x>, published online 14 October 2020.

In the version of this Comment originally published, in the caption of Fig. 1 the name of the Langkawi National Observatory was translated incorrectly from English to Malaysian as ‘*Balai Cerap Kebangsaan Langkawi*’ and should instead have read ‘*Observatori Negara Langkawi*’. This has now been corrected.
