In the version of this article originally published, the authors inadvertently used a source image of the “PIWIL1” panel in Fig. 4e as an image for the “Mock” panel in Fig. 6e. The image of “Mock” panel in Fig. 6e has now been replaced with the correct one. Additionally, the source data for the full dataset of Figs. 4e and 6e have been deposited to Figshare (<https://doi.org/10.6084/m9.figshare.12032724.v2>), and the figure legends have been amended to reflect this in Figs. 4 and 6, respectively. The errors have been corrected in the HTML and PDF versions of the paper.
