Correction to: *Nature Microbiology* <https://doi.org/10.1038/s41564-017-0076-4>, published online 4 December 2018.

In the version of this Letter originally published, the *x* axis labels associated with the left and middle bars in Fig. 4d were inadvertently switched; the labels should have read “Unimmunized (*n* = 4)” and “Immunized with typhoid toxoid (*n* = 9)”, respectively. This has now been amended.
