

Author Correction: Proteomic and interactomic insights into the molecular basis of cell functional diversity

Isabell Bludau  and Ruedi Aebersold 

Nature Reviews Molecular Cell Biology (2020) <https://doi.org/10.1038/s41580-020-0231-2> Published online 31 March 2020

The portrayal of processed mRNAs in FIG. 1 included introns. This has now been corrected. Following this correction, the protein elements in the figure have been changed to oval shapes to make the depiction of RNA and proteins more distinct. The changes have been made in the html and PDF versions of the article.
