Correction to: *Nature Reviews Molecular Cell Biology* (2021) <https://doi.org/10.1038/s41580-021-00356-8>, published online 09 April 2021.

The first sentence under the subheading ‘*Regulating developmental stages*’ has been updated to clarify that the early syncytial embryos referred to are from *C. elegans*, and that the smFISH and MS2–MCP studies mentioned extend previous observations summarized in reference 24. These changes have been made in the HTML and PDF versions of the article.
