Correction to: *Nature* <https://doi.org/10.1038/nature13440>, published online 11 June 2014.

In Fig. 1b of this Article, which shows the cloverleaf model of *A. fulgidus* tRNA^{Ala}, a U was inadvertently inserted after G15 in the D loop. The incorrect, published Fig. 1b is shown next to the corrected Fig. 1b in Fig. 1 of this Amendment. We thank W. McClain and E. Westhof for bringing this to our attention. The original Article has not been corrected.
